Date: 2017-08-01 16:39

The University of Macau (UM) Centre for Chinese History and Culture, and the South China Normal University's School of History and Culture, jointly held a seminar to discuss the construction of a new model for the dissemination of and education in Chinese history and culture in the Guangdong-Hong Kong-Macao Greater Bay Area. The event attracted experts and scholars from Sun Yat-sen University, Jinan University, South China Agricultural University, Guangzhou University, Lingnan University, and Hong Kong Shue Yan University. During the meeting, participants proposed to establish an alliance for the dissemination of, and education in, Chinese history and culture in the Greater Bay Area.
